ITEM: PROVISION OF CLARIFICATIONS ON QUESTIONS REGARDING THE TENDER (TED 087/2022) FOR THE "PROVISION OF COLLECTION AND MANAGEMENT SERVICES FOR SHIP-GENERATED LIQUID WASTE AND CARGO RESIDUES OF VESSELS ARRIVING IN THE MARINE AREA UNDER THE JURISDICTION OF THPA SA"

QUESTION 1: *Provision of statistical data demonstrating the number of receipts of only liquid waste carried out in the areas of your responsibility during the last five years (5), per year, i.e. for the period 2017-2021.*

ANSWER: The number of liquid waste-only receipts for the years 2017-2021 is given in the table below. The number of receipts is divided for the Conventional Terminal and for the Container Terminal (C.T.) respectively. It is noted that receipt of liquid waste means the act of receipt of liquid waste for which specific evidence of receipt was issued, in accordance with the standards of Appendix 3 of the JMD 3122.3-15/71164/2021, in which all the requested information is completed.

QUESTION 2: *Provision of statistical data demonstrating the quantities of ship-generated waste by type (according to ANNEX I, II & IV of the IC MARPOL) in your areas of responsibility during the last five (5) years, per year, i.e. for the period 2017-2021.*

ANSWER: The quantities per category in cubic meters (m³) of liquid waste according to ANNEX I, II and IV of the IC MARPOL 73/78 for the years 2017-2021 are given in the table below. It is noted that during the years 2017-2021 no ANNEX II liquid waste has been delivered by ships arriving at the Port of Thessaloniki.
